God's Marketplace News

God's Marketplace has been selected to be a part of the Community Bag Program at **Bi-Lo** which is designed to make it easy for customers to contribute to their local community while supporting the environment. For the month of **April** each time a reusable Community Bag is purchased at the Washington **Bi-Lo store**, \$1 will be donated to **God's Marketplace** unless otherwise directed by the customer through the Giving Tag. You can find the two colorful reusable Community Bags with the Giving Tag on the reusable bag rack at the store. The key is to look for the bags with a tag that features a **blue heart with \$1 in it**. Let's get started! We can begin by spreading the news to our friends and family. Call, send emails, and post on social media. The more people who learn about the program and purchase the Community Bag during the month of **April** the more money we will raise.
